

ICCL Collateral Management Demo

ICCL successfully conducted a comprehensive session on Collateral Management for all market participants on 3rd July, 2024.

We are thrilled to announce that 125 members participated in this demo. Their enthusiasm and engagement were truly remarkable, contributing to an enlightening and productive session.

Key highlights included insightful discussions and expert perspectives on the advancement and implementation of effective collateral management processes.

We extend our heartfelt thanks to everyone who participated and made this event a success. We look forward to continuing these essential conversations and working together to drive progress in our industry.
